

Principal's Message

It is that time of year again where we look forward to a new school year and all the excitement that comes with the first day of classes. For those joining Wallaceburg District Secondary School for the first time – WELCOME! You are about to become a proud “Tartan” . I feel honoured to be the principal of this school and I am full of pride each and every day that I enter WDSS and see the wonderful students that fill these halls. I work with an extraordinary team of teachers and support staff who are dedicated to the success of each of our students and I am indeed fortunate to be part of this school and community.
